Explorers plans - 16th Feb

activity	
Theme	Jesus heals the deaf man Mark 7 31-37
Memory verse:	He has done all things well! He even makes the deaf hear and the mute speak. Mark 7 :37
Fruit of the Spirit:	Love : Jesus has such incredible love for people that he always wants to make them feel better. When he meets this man he wants to put a smile on his face! He changes his life forever because now this man can hear the amazing sounds all around him and he can hear people and talk to them.
Circle time & Prayer Prayer	Have different object that make a noise. (Drum, shaker, keys, whistle or some sound effect on an iphone) hide the object behind a table and get the children to try and guess what they are. Can you imagine what it would be like if you couldn't hear the world around you? How can you help people who can't hear things?
Craft	Suggestion; Paper plate - turn into face add ears on one side draw sad face before the man was healed on other side draw happy face- after then man was healed.
Songs	
Game	Miming game. Your leader will whisper an action in your ear. You have to do it and everyone else has to guess what you are doing. Example- brushing your teeth, getting dressed, washing up, tying your shoe lace, driving in a car etc. Talk to the children about how hard it can be to communicate without being able to hear or speak
