

## **Esther challenge scenarios**

1. Your teacher has something stolen from her desk. She is very annoyed about it and threatens to keep the whole class in at lunchtime if she doesn't find out who did it. You saw who did it, what do you do?
2. You are playing football in the creche room. The ball gets kicked and it smashes one of the windows. The leaders were not looking and did not see who did it? They hear a noise outside and some shouting and think someone outside has kicked the ball through the glass and are about to go and see if they can find out what happened. What do you do?
3. You hear some kids in your class talking about how they are going to hit Jamie after school. What do you do? Tell Jamie? Tell the teacher? Go with Jamie and stand up for him?
4. It's non-uniform day. Lots of the kids in your class have put on their best clothes. Someone starts laughing and Lisa's tracksuit and making fun of her. Most of the class join in. What do you do?

Think of your own situation where you have to do something brave.

Act out some of the scenarios, then perform them to the rest of the group.
