Theme	Noah part 2 - The flood Recap story from previous week. See story sheet & Video
Memory verse:	Promise 2Cor 1:20 All God's promises are "yes!" God only promises us good things and he always keeps his word. If he has said something we can trust that he will do it!
Fruit of the Spirit:	Peace. God wants us to live without fighting & hurting one another. Before the flood he was very sad because he saw how people had stopped listening to him and how they were hurting each other. He wants each one of us to live without fighting and to have peace in our hearts. When we fight and get cross we feel hurt inside. Our hearts aren't built to cope with this pain. They feel heavy and sad. God wants our hearts to be filled with his joy, peace and love.
Circle time & Prayer Prayer	Promises. Do you ever break a promise? Does your mum/ dad / Brother / friend? How do you feel? God never breaks his promises. He says he will always be with us, he will take care of us, he will always love us. We can always trust his word.
